Teresa Brown

Teresa is a Treatment Specialist for the NH DHHS Tobacco Prevention & Control Program. She uses evidence based prevention and intervention strategies to help reduce the smoking rates of NH residents.

Resources for Asthma Educators is a program sponsored by the NH Asthma Educators Network that will share resources available to asthma educators to enhance their interactions with patients.

Target Audience

The audience for this program includes clinicians who provide asthma education, whether they are certified asthma educators or non-certified.

Learning Objectives

After this session, participants will be able to:

- Describe how motivational interviewing can enhance patient and asthma educator communication
- State how the "Educators Mentoring Educators" program can help provide assistance with mentoring of asthma educators and how to prepare for taking the certification exam
- Explain how to access the NH Try-To-STOP TOBACCO Resource Center
- Identify the 4 arms of the NH Try-To-STOP TOBACCO Resource Center

Reports from the Field*

This workshop will include a *Reports from the Field* segment where participants share their questions, comments, and experiences with the group. Please be prepared to bring your own to share!

**please note: if you would like to opt-out of this segment, please contact
Christina Patenaude at cpatenaude@snaheec.org.*
