

WOULD YOU LIKE TO LEARN MORE ABOUT THE EFFECTS OF LEAD POISONING?

- How do children *and adults* get lead poisoning?
 - What will happen to them when they do?
 - Are property owners liable? What are their responsibilities?
- How is this controlled? Who regulates this?
 - Do people get fined?

*If you are a health professional in the state of NH,
you can get this training for free!
Don't miss this limited opportunity!!*

**This free class is being
offered on
July 20th in Rochester and
July 21st in Manchester.**

Sign up now on line!

**New dates just added in August!
