

Diabetes Today 2018

Whole Person Care: a coordinated and integrated approach to Diabetes Management

April 13, 2018

8:00 am to 4:45 pm

Wentworth-Douglass Hospital – Garrison Wing

789 Central Avenue

Dover, NH 03820

Learning Objectives

At the conclusion of this program participants will be able to:

- ❖ Discuss updates and guidelines to the basal insulins, sglT-2Is, GLP-1RAs and DPP4s, and the most recent CVOTs (cardiovascular outcome trials).
- ❖ Identify treatment options for the inpatient and outpatient settings.
- ❖ Identify resources for the low income diabetes patient to get what they need.

Target Audience

Physicians, Physician Assistants, Nurse Practitioners, Registered Nurses, Registered Dietitians, Medical Assistants, Respiratory Therapists, Pharmacists and Certified Diabetes Educators working in hospitals, schools, visiting nurse associations, primary care offices, long term care and community health centers.

Continuing Education: Credits awarded to participants are based on time attended.

Nursing

The Southern New Hampshire Area Health Education Center is an approved provider of continuing nursing education by the New Hampshire Nurses' Association Commission on Continuing Education, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This continuing education activity has been approved for 6.75 contact hours. Activity Number: 1223

Dietitians:

The Southern NH Area Health Education Center has requested up to 6.75 contact hours from the Commission of Dietetic Registration, the Credentialing Agency for the American Dietetic Association.

Physicians:

The Southern NH Area Health Education Center, accredited by the NH Medical Society, designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credit(s). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*A program of the Granite State Diabetes Educators and
Southern NH Area Health Education Center*
