

Southern NH Area Health Education Center

**August
2022**

**Upcoming Conferences, Workshops,
and Programs**

Given the state of the world, SNHAHEC has pivoted to live webinars and online learning. Please visit snhahec.org for other online learning opportunities. Here are just some of the many modules we have available. Stay safe and healthy!

- ***Interprofessional Collaboration***, Dayle Sharp, PhD, DNP, M^cPH, FNP-BC, APRN
- ***COVID-19 & Diabetes***: Della B. Flanagan, RDN, CDCES, MEd, BC-ADM, LD
- ***Addressing Vaccine Hesitancy***-Ardis Olson, MD, Kim Bernard, MSN, RN, Elizabeth Talbot, MD, Suzanne Allison, RN, BSN
- ***Resilience & Thriving: The Secret Power of Stress***-Maria Reyes, BA, CADC

**BUILDING THE EQUITY TOOLBOX:
A Culturally Effective Organizations
Training Series
2022**

***The Roadmap to High
Quality Services for All***

We want to ensure that everyone has equal opportunity to thrive. The Culturally Effective Organizations Framework offers an effective approach to turn our goals into broader success. This ongoing series offers an opportunity for deeper exploration of dimensions of each of the Framework elements.

**BUILDING THE EQUITY TOOLBOX:
A Culturally Effective Organizations
Training Series**

Offered at no charge

Learning Objectives:

By participating in this series participants will be able to:

- Implement elements of the Culturally Effective Organizations Framework
- Identify and make use of resources for deeper understanding and action
- Advance equity within their own organizations

Learning Outcome:

- 80% of participants will identify an action they will take as a result of this training

We encourage participation in the whole series; registration for individual sessions is available.

See below for Continuing Education

REGISTER](#)

September 28, 1-3 pm

**Tools for Growing
Institutional Equity:
The Equity Impact Review**

Learn this best practice for structured assessment of policies, programs, proposals, and procedures; identify available EIR/EIA resources.

October 13, 1-4 pm

**Data Collection for Equity:
Applied Practice**

Part 2 of the Data for Equity Series
Interactive opportunity for applied practice of the essential concepts and best practices for collecting high quality data, correctly and consistently, as introduced in Part 1.

October 25, 1-3 pm

**Building Equity through Data
Part 3 of the Data for Equity Series**

Explore historical and cultural concepts of data and its use, and explore new ways to actively decolonize data to further equity. We will consider important questions about the nature of data and more.

November 16, 1-3 pm

**Operationalizing Equity:
The Culturally Effective
Organizations Framework**

Learn the roadmap for providing high quality services for all, foundational on the path to equity.

**New Hampshire
Equity Collective**

VISIT the [Culturally Effective Organizations Work Group](#) webpage to learn more!

BUILDING THE EQUITY TOOLBOX: A Culturally Effective Organizations Training Series

Continuing Education

- Nurses

Southern New Hampshire Area Health Education Center is an approved provider with distinction of nursing continuing professional development by the Northeast Multistate Division Education Unit, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Up to 9.0 contact hours,. Activity Number: 1481

- Physicians

The Southern NH Area Health Education Center, accredited by the NH Medical Society, designates this live activity for a maximum of 9.0 AMA PRA Category 1 Credit(s). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- Social Workers

Up to 9.0 CEUs pending approval from NASW NH.

- For all other health professionals: 9.0 hours

- For all other participants

A certificate of attendance for up to 9.0 hours will be available to serve your professional development needs.

Southern NH AHEC Community Health Worker Course

7 day-8 hour class ■ Virtual

**Registration
Deadline:**
October 7, 2022

October 17, 24, 31 and November 7, 14, 21, 28, 2022
9:00am-3:00pm

As a nation and a state, we are struggling to address the transformation of the health care system as we move to a model of team based care. One strategy that other states have used to engage communities and assist with navigating services is to promote the Community Health Worker (CHW) model. Train to become a CHW in New Hampshire and incorporate your new knowledge into team based care opportunities offered in hospitals, medical practices, community health centers and social service settings.

Target Audience

There are a variety of roles and numerous titles that fall under the CHW umbrella: Outreach Worker, Lay Health Advisor, Health Promoter, Patient Advocate, community health advisor, family advocate, liaison, peer counselor, patient navigator, health interpreter and public health aide. Those listed and more are welcome to attend!

Cost: \$1,200.00-includes curriculum and training materials. A limited number of scholarships are available. Payment is by check only. Checks can be made out and mailed to: **Southern NH AHEC, 128 State Route 27, Raymond, NH 03077**

Curriculum

DAY 1:

Outreach, Service Coordination Skills and Professionalism

Learn about outreach methods and strategies, care coordination, system navigation, and explore dimensions of professional skills and conduct.

DAY 2:

Navigate Insurance Options, CHW Code of Ethics, Culture and Cultural Effectiveness

Discuss options for people who are uninsured and underinsured and identify resources to get them the information they need to navigate the health care system. This includes access to the Health Care Marketplace, Medicaid Managed Care, and Children's Health Insurance Program (CHIP). Apply ethical considerations while working as a CHW. Respond to clients in culturally effective ways.

DAY 3:

Education and Facilitation Skills & Communication and Interviewing Skills

Gain the necessary skills to provide information to members of your community in the form of formal and semi-formal presentations. You will be able to educate, inform, persuade and motivate your audience. Communicate effectively with diverse individuals and groups in a variety of community and service provider settings while gaining interpersonal skills.

DAY 4:

Assessment, Advocacy, Leadership and Care Coordination Skills

Demonstrate individual, client, and community assessment skills. You will learn how to educate and promote health behavior changes and offer concepts and approaches to living a healthy life. Learn to advocate, lead, and build capacity as a Community Health worker. Explore strategies for coordinating patient care.

DAY 5:

Chronic Disease Management and Oral Health

Gain knowledge in diabetes management, asthma, heart disease and cancer to effectively assist your community in identifying risk factors as well as managing current conditions. Describe the importance of oral health and discuss ways of keeping teeth healthy.

DAY 6:

Mental Health, Substance Abuse, Domestic Violence, and Research and Evaluation

Identify basic symptoms and signs of mental health conditions, such as depression, anxiety, substance abuse and mood disorders. Explain the process of addiction, screening methods, and resources for recovery. Review types and cycle of domestic violence abuse and discuss related resources. Identify the importance of research, evaluation and collecting data to inform CHW programs.

DAY 7:

The Environment and Prevention and Wellness

Discuss how the outside environment, and the environment in the home, school, and work affects your community. Describe the importance of oral health and discuss ways of keeping teeth healthy. Recognize the importance of self-care and how wellness strategies you can help your clients prevent and reduce current health conditions.

A graduation ceremony will be held upon the completion of the 7 day training

October 18th, 2022, 12:00 pm – 4:00 pm EST

Epilepsy & Self-Management Virtual Training

This training delivers learning modules that address,

- Overview of Epilepsy & Seizures
- Treatment Considerations in Epilepsy
- Seizure First Aid
- Comorbidities in Epilepsy
- Lifestyle Management
- Self-Management Programs
- Case Studies in Epilepsy

Target Audience: Nurses, NPs, nurse educators, CHW's, social workers, counselors, PCPs, psychologists, PAs, neurologists

To register: <https://www.eventbrite.com/e/epilepsy-self-management-virtual-training-tickets-371162837037>

Learning Objectives:

1. Describe seizures, epilepsy and 3 ways epilepsy may be treated
2. Discuss physical, mental and psychosocial challenges associated with living with epilepsy
3. Discover how to assist people with epilepsy control their seizures, prevent injuries, make healthy lifestyle choices, and improve quality of life
4. Identify 3 common comorbidities in epilepsy
5. Increase knowledge and confidence in their ability to provide seizure first-aid
6. Develop confidence in their ability to provide epilepsy management support
7. Explain the benefits of epilepsy self-management and at least 2 pathways for referral to a self-management program
8. List the resources and types of assistance available to people living with epilepsy

Learning Outcome: Participants will report a change in practice related to treating epilepsy.

Continuing Education:

*Southern New Hampshire Area Health Education Center is an approved provider with distinction of nursing continuing professional development by the Northeast Multistate Division Education Unit, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
3.75 contact hours. Activity Number: 1343*

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Southern NH AHEC and the HOBSCOTCH Institute at the Dartmouth-Hitchcock Epilepsy Center. The Southern NH AHEC is accredited by the NH Medical Society to provide continuing medical education for physicians. Southern New Hampshire Area Health Education Center designates this live activity for a maximum of 3.75 AMA PRA category 1 Credit (s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program has been approved for 3.5 Category A Continuing Education Credits by the National Association of Social Workers, NH Chapter. CEU #3749

For other professionals: 3.75 professional hours of continuing education.

BreatheNH.org

 **Breathe**[®]
NEW HAMPSHIRE
Improving lung health since 1916

SAVE THE DATE!

October 27-28, 2022 | The Venue at Portwalk Place, 22 Portwalk Place, Portsmouth, NH 03801

Lawrence Raisz Memorial New England Bone Club Conference 2022

Submit your abstract for review! * Showcase your success story, a challenging case or a research project.

The conference program delivers:

- Updates on recent developments and cutting-edge research in metabolic bone diseases
- Guidance for challenging cases
- Clinical updates on rare bone disorders

Early Bird Rate: \$150.00

\$35.00 for fellows, trainees and students. (please email Brianna at bferraro@snhahec.org to register) Free for speakers and case presenters.

Register now *! A detailed brochure will be coming soon.

Case abstracts are being accepted through August 12, 2022.
Submit your case abstract to:

Brianna Ferraro, Program Manager
bferraro@snhahec.org

Chronic Disease Self-Management New Leader Training

Mondays & Wednesdays from 10:00-12:30 pm & 1:30-3:30pm

11/28, 11/30, 12/5, 12/7, 12/12 & 12/14/2022

Virtual Training via Zoom

***There are two sessions each day. Participants must attend all sessions to become a leader. Zoom information will be emailed prior to the start of the training.**

This training will prepare you to hold a 6 week remote or in-person workshop series to provide the Chronic Disease Self-Management program, known as Better Choices, Better Health. It is a great opportunity to join a supported network of other NH leaders offering this program throughout NH.

Who should attend the Leader Training?

•Do you have a chronic disease or are you a caregiver of someone with a chronic disease?

You do not need to be a health professional to lead the workshops-in fact, Stanford recommends that leaders be individuals living with a chronic condition or a caregiver for someone with a chronic condition.

•Do you have a co-leader? “Better Choices, Better Health” workshops are held in the community and are led by two trained leaders. It is beneficial to partner with an already trained leader or to attend with the leader training with a partner if possible. If you need a co-leader, let us know and we will try to help!

•Can you commit to offering at least one 6-week program within one year, preferably within three months of being trained? It is really helpful to lead a training soon after to solidify your learning. Many communities find that offering 2 or 3 trainings per year is a great way to keep the program sustainable through word-of mouth.

For more information on the Chronic Disease Self-Management Program (CDSMP), please refer to <https://www.selfmanagementresource.com/programs/small-group/chronic-disease-self-management/>

This leader training is grant funded and, therefore, there is **no cost to attend the training** itself for NH residents (usually \$450-\$500). You will also receive a Leader manual, a participant book, and a participant CD at no charge.

***By completing this training, you will be able to offer CDSMP workshops AND will position yourself to be eligible to take Crossover Trainings such as Chronic Pain and/or Diabetes Self-Management.**

How do I apply? Please [click here](#) to register online. Contact Brianna Ferraro at bferraro@snhahec.org with questions.

**64-hour Health Care
Community Interpretation
Training, Online/via Zoom
Dates: Oct. 6 – Dec.22, 2022
Time: 6:00pm – 9:00 pm
On Tuesdays & Thursdays**

For more info. email: fgdinu@snhahec.org

This is a comprehensive 64-hour program that teaches interpreters to work in the community, social services, education, and healthcare, and it satisfies regional customer requirements for training interpreters providing services to state agencies and hospitals. This is a nationally known course taught in many states and is also accepted for medical certification processes for National Accreditation.

Tuition cost for this training is \$900. **NH students interested in applying for a partial scholarship please check here _____ . Registration fee, mandatory language proficiency screening (in English and target language), the manual and exercises/role-plays are included in this amount. Students must have a computer with camera to participate in Zoom classes. Complete attendance is required.**

Individuals interested in this training must complete the form below, and include a nonrefundable registration fee of \$100 check/money order made out to SNHAHEC and **Mail and scan/email** it to: Florentina G. Dinu, Southern New Hampshire Area Health Education Center, 128 State Route 27, Raymond NH 03077, Any buyer may cancel this transaction any time prior to midnight of the third business day after the date of the transaction. After that the registration fee and tuition cost is non-refundable.

We all know healthcare heroes.

Like 2020, in 2021, we saw those working in healthcare continue to be put to the test. From enforcing heightened restrictions to finding themselves short-staffed and at the firing line of tense emotions, our healthcare workforce has remained vigilant and resilient in ensuring that we are all healthy, safe and well-cared for. In the face of everything, our healthcare heroes stayed committed to caregiving for Granite Staters who needed help – and above all – hope.

We're looking for sponsors who can help us continue this effort to thank our healthcare workforce in a meaningful way while sharing their stories of hope, resilience and dedication.

Sponsorships will cover two rounds of healthcare hero recognitions - one planned for September 2022 and a second in May 2023.

NH *needs* Caregivers!

Did you know?

NH Needs Caregivers is a grant funded program to recruit and train 525 licensed nursing assistants (LNAs) to work in a healthcare setting in NH. The program, funded through May 31, 2023, is managed by Lamprey Healthcare/ Southern NH Area Health Education Center (SNHAHEC). The program assists individuals interested in becoming LNAs to find training, funding for training, and employment in a participating facility or organization. Additionally, the NHNC Program Director connects participating facilities and organizations with participants interested in employment.

For those interested in learning more about the NH Needs Caregivers! initiative, please visit www.nhneeds caregivers.org.

NH AHEC's Community Placement Project Report

Check out this report that highlights the challenges between needing to increase the healthcare workforce and the limited availability of placement sites for health professional students, specifically in NH. The New Hampshire Area Health Education Centers conducted interviews with both placement sites and academic institutions to help generate recommendations to resolve issues with the placement system in NH. The findings of these interviews are also included in this report.

https://www.snhahec.org/uploads/1/3/2/1/132121212/clinical_placements_report-digital-final.pdf

The Power of Prevention Podcast

Check out this podcast series produced by [The Partnership @drugfreenh.org](https://www.drugfreenh.org) (The Partnership)! This is a podcast for people who are looking for solutions and want to make New Hampshire a better place where we all have the opportunity to live, learn and thrive. For more information, [click here](#).

Episode Four of this podcast series features Paula Smith and CDSMP/CPSMP Master Trainer Lisa Stockwell. They share their insights and experience offering alternatives for managing chronic pain. To listen to the podcast episode, [click here](#).

Optimizing employment outcomes among rural cancer survivors: Beginning a community-engaged research program

We are looking for ways to help people undergoing cancer treatment maintain their ability to work. We'd like to talk with employers and supervisors to understand the barriers to and facilitators of supporting employment of cancer survivors within various settings.

Who can participate?

- Employers and supervisors throughout New Hampshire and Vermont who can speak on the challenges employers face when an employee is being treated for cancer or comes back to work after cancer treatment.
- We would like to hear from employers of different sizes, ownership models and industries.

Time or other commitments required of participants:

A one-time, 30 to 60 minute interview via telephone

or internet (based on preference). After a few months, participants will be invited to participate in a 75 minute discussion group with 4 to 10 other participants. We will discuss our findings and possible programs that could help cancer survivors.

Is compensation provided?

Yes. Participants will receive \$50.00 for completion of the individual interview and \$50.00 for completion of the discussion group.

To participate, please contact:

Kali Morrissette
Clinical Research Coordinator
Department of Psychiatry
Email: kali.j.morrissette@hitchcock.org

Nurses

Southern New Hampshire Area Health Education Center is an approved provider with distinction of nursing continuing professional development by the Northeast Multistate Division Education Unit, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

1.0 contact hours. Activity Number: 1382

Physicians

The Southern NH Area Health Education Center, accredited by the NH Medical Society, designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Recognizing and Responding to Human Trafficking in a Healthcare Context

Faculty

Donna Plourde, Executive Director, Real Life Giving, Training Committee Chair, NH Human Trafficking Task Force,

Continuing Education

Nursing

Southern NH AHEC is an Approved Provider of continuing nursing education by the Northeast Multistate Division (NE-MSD), an accredited approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

1.5 contact hours Activity Number: 1389

Physicians

The Southern NH Area Health Education Center is accredited by the NH Medical Society to provide continuing medical education for physicians. Southern New Hampshire Area Health Education Center designates this live activity for a maximum of 1.5 AMA PRA category 1 Credit (s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other professionals

1.5 professional hours of continuing education.

Online Module

Human trafficking is defined as “the recruitment, harboring, transportation, provision or obtaining of a person for exploitation through labor, services or a commercial sex act by force, fraud or coercion.” Human Trafficking happens in New Hampshire. Join us to learn what to look for and how to best provide care and services to your patients and/or clients.

Learning Objectives

After this session, participants will be able to:

- Discuss the dynamics of human trafficking and the scope of the issue in NH
- Identify indicators of human trafficking
- Describe best practices for responding and reporting

Target Audience

School nurses, nurses, nurse practitioners, pediatricians, family practice physicians, physician assistants, nurse educators, medical assistants, and behavioral health professionals.

Resilience & Thriving: The Secret Power of Stress

Want to learn more about Resiliency?

This narrated PowerPoint presentation, available online, provides introductory information about resiliency, the warning signs of stress, and more!

Learning Objectives:

- Apply the tools of Resilience and Thriving through self-examination of events in personal and professional lives
- Evaluate the broader aspects of stress and how you can reframe stressors to strengthen the ability to flourish under challenging circumstances
- Recognize early warning signs and utilizing the core tools of the positive coping cycle
- Discuss pandemic takeaways

Presented by: Maria Reyes, BA, CADC

[Click here](#) to learn more!

Compassionate Boundaries

Want to learn more about Compassionate Boundaries?

This narrated PowerPoint presentation, available online, provides introductory information about compassionate boundaries. Learn more about how to set compassionate boundaries to avoid saying yes when we really mean no. As caregivers, we can learn to consider our own needs, while we are helping others to get their needs met. Learning to set boundaries with compassion can reduce compassion fatigue and role model positive behavior for our clients.

Learning Objectives:

- Discuss definitions and concepts of compassion and its place in health care settings
- Describe definitions of professional boundaries.
- Identify common challenges to creating and maintaining compassionate and professional boundaries.

Presented by: Jen Stout, LICSW, MLADC

[Click here](#) to learn more!

Motivational Interviewing

Want to learn more about Motivational Interviewing?

This narrated PowerPoint presentation, available online, provides introductory information about what Motivational Interviewing is, the elements that make up the mindset of MI, and more!

Learning Objectives:

- Describe the four elements of the mindset/spirit of MI
- Explain the four processes that guide MI conversations
- Describe 1 example of the core interviewing skills of MI
- Describe how to effectively provide information and suggestions

Presented by: Lisa Stockwell, MEd

Experienced trainer, educator and coach working with organizations, groups and individuals in topics related to positive behavior change, effective communication skills, mindfulness, compassion fatigue and motivational interviewing (member of MINT).

Alzheimer's Dementia-Introduction to Alzheimer's-Online Module

Want to learn more about Alzheimer's Dementia?

This 45 minute narrated PowerPoint presentation, available online, provides introductory information about Alzheimer's Dementia, the cost burden, the stages of Alzheimer's and more.

Learning Objectives:

- Distinguish Alzheimer's as one of the Dementias
- Discuss the prevalence of dementia/Alzheimer's in NH and globally
- Explain the projected scope of the epidemic
- Discuss the cost burden of Alzheimer's for federal/state governments and individuals/caregivers
- Identify health disparities related to Alzheimer's and other dementias
- List the stages and signs/symptoms of each stage of Alzheimer's Disease.
- Relate changes in the brain to signs/symptoms at each stage of Alzheimer's Disease

Presented by: Carole Boutin, DNP, MS, RN, CNE

[Click here](#) to learn more!

COVID-19 and Diabetes

Want to learn more about the connection between COVID-19 and Diabetes?

This narrated PowerPoint presentation, available online, provides introductory information about the relation between COVID-19 and Diabetes and how to protect and prepare patients should they become ill.

Learning Objectives:

- Describe why diabetes poses an increased risk for illness with COVID-19
- List ways to protect and prepare patients with diabetes should they get sick
- State importance of monitoring and treating acute complications
- Describe how to boost the immune system with nutrition
- Explain how to reduce the chance of severe illness

Presented by: Della B. Flanagan, RDN, CDCES, MEd, BC-ADM, LD

continuing education.

Learn how to incorporate trauma-informed care as a strengths-based approach to caring for your patients and clients. Trauma informed care incorporates a person-centered approach to working with people that incorporates the biological, neurological, psychological and social impact of trauma on an individual.

Learning Objectives

After this session, participants will be able to:

- Describe basics of brain function and development
- Discuss components of Trauma Informed Care
- Apply strategies to address challenging behaviors

Target Audience

School nurses, nurses, nurse practitioners, pediatricians, family practice physicians, physician assistants, nurse educators, medical assistants, and behavioral health professionals.

Activity Number: 1340

Physicians

The Southern NH Area Health Education Center is accredited by the NH Medical Society to provide continuing medical education for physicians. Southern New Hampshire Area Health Education Center designates this live activity for a maximum of 0.5 AMA PRA category 1 Credit (s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For other professionals: 0.5 professional hours of continuing education.

Health care providers have opportunities to engage and support clients who use drugs in setting and attaining health related goals. This session will engage attendees in collaborative learning, conversation, and case discussion to identify opportunities to engage clients in setting goals.

This one-hour module will focus on provider acceptance of 'where a person is at' as a precursor to supporting client-driven goal setting. Cases shared within this session will highlight exemplars of engaged approaches as well as opportunities for improvement.

Evidence related to harm reduction approaches and goal setting will be discussed and harm reduction best practices, evidence, and current local and national resources will be provided.

Participants will consider how goal attainment can be supported with syringe service programs, overdose prevention and treatment, medications prescribed to mitigate withdrawal symptoms, and referrals across health care and community services including peer recovery supports.

Learning Objectives

After this session, participants will be able to:

- Relate the concepts of humility and curiosity to learn about substance use disorders as precursors to have supportive and pragmatic conversations with clients.
- Identify opportunities in varied practice settings to engage clients who use drugs in setting and achieving goals.
- Conduct collaborative goal setting for overdose and infection prevention with people who use drugs to augment substance disorder screening, treatment, referral, and recovery.
- Apply harm reduction principles to supporting patient experience drug withdrawal symptoms.

Learning Outcome

Participants will report a change in practice 6 months after the educational intervention.

Enhancing Provider Skills in Serving People who Actively Use Substances

- Identify opportunities in varied practice settings to engage clients who use drugs in setting and achieving goals
- Conduct collaborative goal setting for overdose and infection prevention with people who use drugs to augment substance disorder screening, treatment, referral, and recovery.
- Apply harm reduction principles to supporting patient experience drug withdrawal symptoms.

Learning Outcome

Participants will report a change in practice 6 months after the educational intervention

Stanford's Chronic Disease Self-Management Program: Better Choices, Better Health

Do you have patients with a chronic disease? Are you looking for resources to help them take better care of themselves?

The NH CDSMP Network is offering Stanford's Chronic Disease Self-Management Program: Better Choices, Better Health as a resource to providers and residents of New Hampshire. The program gives patients with chronic diseases and the people who care for them an opportunity to learn how to put life back into their lives.
