CHW ADVANCE!

What do I need to know before I enroll?

Payments

- Tuition Payments will be made directly to the training partner.
- \$2550 stipends can be used for things that will help you be successful in the course and on the job training. You can use the stipend for transportation costs, childcare, or other needs that will support your participation.
- Stipend payments will be made to you over time. We will ask you to fill out a W9 form, so we are able to pay you. The first payment will be made after attendance at the first class. The second payment will be made at course graduation and the final payment will be made upon completion of reporting requirements.
- You will receive a 1099 tax form for the stipend amount. You will be responsible for any taxes.
- Let us know if you think the stipend may affect your eligibility for public benefits.

Reporting

- During their on-the-job training, CHWs will report the number of patients or clients they interact with, as well as the number of referrals, and the number of hours dedicated to patient or client interaction.
- CHWs will be asked to complete a short survey one year after program completion.
