

Interpretation Program Fact Sheet

2002- 2025 Data

About the Interpretation Program

Interpretation is a program of Southern New Hampshire Area Health Education Center (SNHAHEC). For 25+ years we have been increasing the number of health care, community, and legal interpreters in NH. We also screen bilingual individuals/employees for language proficiency.

Trainings by the Numbers

Health Care Community

- Classes - 26
- Students - 302
- Languages Spoken - 50

Legal

- Classes - 18
- Students - 267
- Languages - 38

Medical

- Classes - 24
- Students - 452
- Languages - 44

1,021 students received certificates of training from the interpretation programs and a list of over **400** trained interpreters ready to accept assignments is available. If you need an interpreter, please contact srivera@snhahec.org with the needed language, in person region or if it is virtual, and the type of interpretation you need (Medical, Healthcare Community, or Legal).
